Watch it Grow!

Spring is Just Around the Corner! Don't be surprised if your child's thumb starts turning green! As a member of the InvestiGators Club, your child will learn all about what plants do for us and what we can do to grow healthy plants. Throughout this investigation, your child will build important skills in literacy, math, science, and more. The InvestiGators and their friends will learn how trees, fruit, vegetables, and flowers grow and how the food we eat gets from the farm to the grocery store.

We had so much fun celebrating 100 days of school and College Spirit Week, thank you for letting our friends participate in all the activities! We can hardly wait to do it again next year!

March is National Reading Month, our pre-k 3 & 4 year old friends will be assigned a book a week. Please read this book at home with them and let them dress like any character from the book on Friday of that week. We will let our friends act out the book on Friday, giving them a great opportunity to express their narrative skills.

Home Assignment: Try using the vocabulary in the book with our friends throughout the week. Point out the letters from some of the book's vocabulary words while in the community and at home.

Announcements & Updates

Celebrations

Help us celebrate Ms. Danielle's 9-year work anniversary! Ms. Danielle is one of the BEST pre-k teachers in Baltimore City, we are so grateful for her dedication and love for KidzStuff. We hope to celebrate many more anniversaries with you in the years to come.

CACFP Week

The Child and Adult Care Food Program ensures children receive balanced meals that are healthy in nature. The program helps start good nutritional habits early in a child's life. National CACFP week is March 12-18 this year, we will offer lots of tips this week about ways to engage in a healthier lifestyle for you and our little friends.

Graduation 2023

It's time for our five-year-olds to advance to kindergarten in the fall but first they must GRADUATE from the KidzStuff Pre-K program on June 15, 2023. Registration for the graduation is now open, the cost is \$75.00 and can be paid in exact cash or via our KidzStuff Cash App \$kidzstuffcc. The deadline is Monday, May 1, 2023.

Pre-k 3- & 4-year-old parent meeting Tuesday, March 28, 2023. We will talk all things school selection, getting our friends ready for the transition to school, and before/after school options. We hope to see you at 5:00 p.m. on March 28, 2023.

National Woman's National Month

We celebrate the cultural, historical, and societal contributions women have made and are making every day, that make us better, stronger, and smarter as a community.

To our grandmothers, mothers, aunts, sisters, and nieces, we see you, we need you, we love you, you matter to us. Thank you for being our teachers and our inventors. Thank you for being our nurturers and the ones to push us. Thank you for being our doctors and our basketball coaches. Thank you for being our lawyers and our carpool drivers. Thank you for being our Senators and our bedtime reading partners. Thank you for being our astronauts and our hopscotch friends. Thank you for being our school bus drivers and our chefs. Thank you for being our crossing guards and our neighborhood watches. Thank you for being our authors and our nurses. Thank you for being our principles and our secretaries.

**THANK YOU FOR
LEADING THE WAY!**
