The KidzStuff mission is to provide the best foundation for children birth to five through a Christian education focusing on closing the school readiness gap in the Baltimore Metropolitan Area. Our goal is to provide children with a safe, nurturing environment that offers activities that support the whole child's development through all domains of development. In addition to fostering children's natural love of learning through enriching play and positive reinforcement, we support family growth through a supportive and enriching environment grounded in biblical principles. Ultimately, we want our legacy to be that our high-qualified educators shaped generations of resilient young learners who are school-ready, equipped with faith like Caleb, fearless like David, and can lead like Deborah.
