## Welcome Back to School!

It's time to get out our magnifying glasses -it's time to investigate. Welcome to the 2023-2024 school year. This school year will be BRIGHT, COLORFUL and FUN! Your child is embracing a superb new experience where he/she will explore, learn, and discover new possibilities. Your child will be introduced to important concepts in language, literacy, math, social and emotional growth, and STEM.

## Meet the InvestiGators!

Our friends will meet and learn alongside our friends from the InvestiGators Club. Dilly and JT Gator, Rosalita Sausalita, Manny Salamander, Chuck Wood, Bruno Buzzbee and Great Auntie Lu.

Each week our friends will investigate the world around them while studying God's word.

When your child comes home from school, you can spark open-ended conversations about his/her action-packed investigations by asking questions like these:

- What did you investigate today?
- How did you investigate it?
- Investigators see, smell, taste, touch and feel to learn about their world, what is one interesting thing you saw today?
- What was your favorite activity in school today?
- What gave you the biggest surprise today?

We hope this school year brings lots of fun, excitement, and laughter to our old and new friends.
