

# January Activity Calendar

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	Create New Year's fireworks by gluing colored glitter on dark paper.	Have your child dictate a story to you about a winter adventure.	Make a book together using your child's winter story.	Show a stop sign. Talk about what it means and how it's used.	Just like Bruno Buzzbee, use a computer to play an ABC game.	Have a parade! Clap and march to a steady beat.
Identify foods using only the sense of smell.	Try to balance a ball on your nose just like a circus seal does.	Pretend to be circus performers walking a "tightrope" (strip of tape).	Send Bee Mail! Have your child dictate a message to send to a friend.	Pretend to be veterinarians taking care of stuffed pets.	Like Rosalita, count to 5 in Chinese: <i>yī, èr, sān, sì, wǔ</i> .	January is the first month of the year. Say all of the months in order.
Count the windows in your house. Are there more than 10? Or less than 10?	Play a game of Hokey-Pokey together.	Set out gloves, mittens, and shoes. Mix and match the pairs.	Have your child see how many jumping jacks they can do in 30 seconds.	Talk about what to do if there is a fire in the house. Make a safety plan.	Count out 8 pretzels for Chuck Wood. Eat 2. How many are left? Repeat.	Use a spoon to move water from one cup to another. Find ways to move it faster.
Find an object that is longer than a pencil, and one that is shorter.	Make a favorite snack together such as peanut butter toast or pudding.	Read a winter poem. Have your child recite a favorite part to you.	Make a masking tape maze on the floor. Walk through the maze.	Think of three words that start like <i>Dilly</i> .	Sing or say the rhyme "This Old Man." Name all of the rhyming words.	Line up shoes. Sort them by size, color, or laces/no laces.
