Healthy You

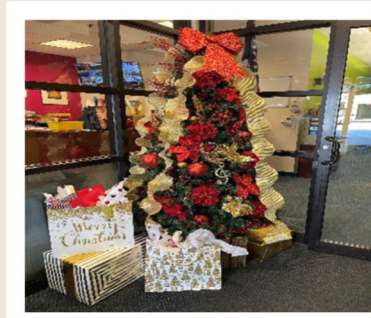

December is here and what an exciting month we have to look forward to! We will be concentrating on experiencing Christmas through our Healthy You unit. Our friends will learn all about making choices that will make their bodies healthy and strong. If you were looking for an excuse to start your New Year's diet, here it is! Join us in this unit by taking a walk with your child(ren) 2-3 times per week and trading fast food for fruits and vegetables until Christmas.

It's taken us a long time, but we are building back stronger by adding new staff to our team monthly. We added Ms. Cierra to our infant room and Ms. Louise to our Pre-k 4 classroom. It feels like they've been with us forever. You will begin to see all our new staff's faces as they greet you in the morning or say goodbye in the evening.

We enjoyed serving your families during the Fall Thanksgiving Feast, it was so good to see your faces! Thank you for a great year, we are praying for an amazing 2022.
