### HAPPY NEW YEAR!

Happy New Year one and all. Thank you for the wonderful cards, gifts, and goodies. The Christmas season is such a great time to reflect on and count our blessings, we have many. We've been busy welcoming new friends and opening a new infant room to meet the demand in our community, thank you for all the referrals.

*"There comes a time when one must take a position that is neither safe, nor politic, nor popular, but he must take it because conscience tells him it is right." - Martin Luther King Jr.*

We know the new surge of COVID-19 has put an additional strain on our community; we cannot lose hope, we will once again get through this! Thank you for getting tested before returning to the center, this action prevented a possible spread of COVID-19 within KidzStuff. We will continue to require testing and 10-day quarantine periods for children with COVID-19. We kept our small community safe before and we will do it again.

### FINNY, FEATHERY, FURRY, FRIENDS

It's time for your child(ren) to meet some real life, finny, feathery, furry new friends. Along with the InvestiGator Club your child is going to learn all about animals, from pets to farm animals to creatures in the wild. As an InvestiGator, your child will gather data about animals and make meaning from the important information he or she records. During this unit our friends will learn about safety around animals and what animals needs to stay healthy and happy. Watch the animal channel or other animal shows with our friends this month to help them identify many different animals.
