One Dream, Shine Bright, Play Fair, Win Together

Going for the Gold

---------- SUMMER FUN

It's been hot hot, that's how you know summer is here! Our summer skin glow is in full bloom because we've been swimming! We've been playing games, field tripping, and doing all the things that make summer memories to share with friends on the first day of school.

We've been talking about and enjoying all things, Summer Olympics! Our friends are learning about and celebrating teamwork and sportsmanship while engaging in Olympic themed activities designed to help your children shine their brightest, One Dream, One Team!

KidzStuff Syled Olympic Events:

- Mini Track & Field (races, relays, and long jumps)
- Silly Shot Put (bean bag toss)
- Water Games & Splash Days
- Opening & Closing Ceremonies with medal awards.

Olympics Fun Facts:

Did you know…

1. The first Olympic games were held in Greece over 2,700 years ago?
2. The Five Rings in the Olympic Symbol represent the five continents coming together.

Together, we can teach our little champions that winning is great, but teamwork, kindness and trying your best is what really matters the most.

Summer programming brings water days to our curriculum. This means our friends get wet on designated days outside on the playground or at the pool on field trip days.

Girls get wet in one piece bathing suits and boys get wet in swim trunks. Do not forget their spray on sunscreen, a towel, and swim shoes to make water play especially fun.

Announcements & Updates

---------- FOR ALL FAMILIES

Developmental Milestones – While all children develop at their own pace there are some universal standards we use to determine if a child needs our adult help to close a developmental gap.

Often the developmental delays we notice can be closed with the assistance of therapy. The earlier we can help the better it is for our friends.

Our partnership with the JEWELS School is super convenient for our families as they provide physical, occupational, and speech therapy, as well as applied behavior analysis (ABA) right here in our centers.

Getting started is super easy, click the link below:

Together we can help our children thrive!

Staff Family Outing – August 1, 2025

Our annual staff family fun day is on August 1st; the center will be closed as we treat them to a day in the park for relaxation and fun before the new school year begins.

2025/2026 Tuition Increase

KidzStuff tuition increase will begin on September 1, 2025. This week's tuition will be processed on August 29, 2025. The tuition increase is $5.00 dollars for all age groups. The yearly curriculum fee is due on August 22, 2025.

Summertime is always the best of what might be. ~ Charles Bowden

And there are just six weeks until the KidzStuff school year begins. Our friends will start the new school year on September 2, 2025. All students two years old and older are required to wear our school colors Monday-Thursday, navy blue tops and khaki bottoms.

Please remember to exchange the Spring/Summer clothing for Fall/Winter emergency clothing in your child's cubby.

If your child has a birthday prior to October 1, 2025, he/she will be enrolled in a new classroom for the coming school year. Details about your child's new classroom will be shared during back-to-school night on August 20th at the Alameda center only and August 21st at the Broadway center only. You can only attend the back-to-school night at the center where your child(ren) are enrolled. A light dinner will be served.

Back to school night is a night for parents to meet the classroom teacher, find out about our yearly academic goals, and the curriculum for the new school year.

It's time to update your family's emergency forms and food applications. Please see the center's administrative staff to complete this annual task.

All shot records MUST be updated prior to the 2025/2026 school year. If your child's forms are not updated, they will not be able to attend the program starting September 2, 2025. Keep in mind when your child turns one year old they are required to get a lead test and again when they turn two-years-old.

This year's tuition increase will take place on September 1, 2025, therefore your family's tuition payment on August 29, 2025, will reflect the new rate. Tuition is only increasing by five dollars across all classrooms. All 2025 yearly curriculum fees of $100 per child are due on August 22, 2025. This fee will be automatically deducted with your weekly tuition payment.

Make note of the important dates listed on the right for the next three months, you will not receive another newsletter until October 2024.

2025/2026 School Year

"The more that you read, the more things you know, the more you learn, the more places you'll go."
— Dr. Seuss

---------- SCHOOL AGE CLASSROOMS

This summer has been so fun, and we cannot believe it's almost over! Have you paid for your child(ren) to attend the Sesame Street Amusement Park Field Trip? If not, your child cannot attend the center on August 8th as the staff will be on the trip.

The last day of summer programming is August 15th, your child can attend the center during the week of August 18th however there will be no more summer fun, only regular programming.

Now is the time to register for this school year's before/after school transportation. Please complete a new application to secure your child's seat on the van.

KidzStuff will begin transporting children on Tuesday, August 26, 2025. Remember to let your child's school staff know we are responsible for before/after school transportation to establish smooth drop off and pick up services.

Please call the KidzStuff staff prior to the desired start date of transportation to inform them of your child's teacher's name and what the school's Drop-off/pick-up arrangements are.

Watching our friends learn, grow, and excel year after year is a part of our greatest joy. Thank you for allowing us to be a part of the process, here's to a wonderful 2025/2026 school year!
