"Hot Chocolate is Like a Hug From the Inside"

It's the Most Wonderful Time of The Year...

Thank you for appreciating our staff with five-star reviews online. Your kind words have warmed their hearts and inspired them to continue this great work. We are so happy to have your families as part of our family here at KidzStuff.

Winter is upon us, and she's showing us her true colors...baby it's cold outside! But she cannot stop us from enjoying outside play. This means everyone needs a hat, scarf, warm coat, and gloves in their cubby each day. Providing these items helps our friends participate in outdoor learning with ease and enjoyment.

Do not forget to check your child's cubby to be sure they have appropriate winter clothing in their bins in the event of an accident.

The winter months bring inclement weather closings. KidzStuff follows Baltimore City Public Schools System for weather-related delays and/or closures. Please be sure your contact information in the Brightwheel System is current, to ensure you receive real-time updates for all weather-related delays and/or closures.

We have some exciting news to share: KidzStuff is growing! That's right, we are thrilled to announce the opening of our newest location in Towson, Maryland on January 1, 2026. This expansion will allow us to serve even more families with the same commitment to quality early learning and care.
